Dear Parents/ Guardians,

I hope you are all keeping safe and well.

On behalf of myself and the staff thank you so much for your support and all you have done with the children over the past five weeks. The level of engagement with the work has been fantastic and we are so proud of the children for the learning they have achieved at home. We never believed when we closed our doors for the Christmas Holidays that it would be so long before we would see each other in person again. Fingers crossed we will all be back to school soon!

We were delighted to have received such positive feedback from the Zoom check ins. The teachers have organised another class check in for this week and you will receive information shortly regarding this.

I would also like to pay tribute to the teachers and SNAs for all their hard work during this period and their efforts to make the work as engaging as possible. We are aware of how stressful this time has been for everyone and consequentially we have decided to reduce the workload on Monday, Tuesday and Wednesday of this week and move to a focus of some active/fun work for the children. Next Thursday 18th and Friday 19th are our Mid Term Break and no online learning will take place on those days. Online learning will resume on Monday 22nd February and hopefully by then there will be a definite indication as to when we can return to school.

Please enjoy the well earned break and stay safe and well.

Kind Regards
Edward Lyons.
