Dear Parents/ Guardians

I hope this post finds you well. We are continuously looking at ways to improve the communication between school and home. The use of the Aladdin and Seesaw apps has greatly enhanced this link.

We are now going to use the Zoom app to further our communication and to engage with the children on a different platform. It will provide an opportunity for all to interact with each other collectively, something that we have not been able to do for some time now. It also provides increased opportunities to strengthen the link between school and home for the children.

We are organizing class Zoom meetings for next week to cater primarily for the wellbeing of the pupils. The Zoom meetings in our school, will be for the purposes of checking pupils progress and to give the students the opportunity to see and speak to each other. It is not for instructional purposes.

The Guidelines and the Etiquette around these meetings will be forwarded to you over the weekend and the links will follow.
